## Review

By the 1950s the witch managed to get out only at Halloween as a creature of childish fun with no creditable magic powers at all. Robyn Lively's Louise the eponymous teen witch is relatably geeky and unpopular — that is, until she figures out that she's a witch. WITCH is not propaganda, nor is it biased by a political agenda.

## Witch

In Mexico, the Witch Goddess Tlazolteotl is depicted riding on a broom. The Craft 1996 Imagine if the punk chick who puts safety pins through her piercings at the lunch table is harnessing the power of the creator of the universe....

**Nonfiction Book Review: Witch: The Wild Ride from Wicked to Wicca by Candace Sherk Savage, Author Douglas & McIntyre \$21.95 (144p) ISBN 978**

Add in Glinda the Good Witch as a glittering and borderline condescending juxtaposition to the Wicked Witch, and you've got a beautiful tale of light and dark magic struggling to gain influence — one that remains one of the most influential movies of all time. Stepping over a broom is a sign of slovenliness.

Never sweep your kitchen early in the morning before sunrise, or you will be unlucky.

**Description: The witch book**

It is unlucky to borrow a broom. Robyn Lively's Louise the eponymous teen witch is relatably geeky and unpopular — that is, until she figures out that she's a witch. Lending a broom will cause you bad luck.
