The Public Reading Room is open from 8:30 a. Given the deficiencies of the system, the Commission has recently decided to abandon it entirely. After reexamining the proposal's wording, NHTSA agrees with GM that to increase the final rule's effectiveness, the message should be written in an easily understood style.

## **Federal Vol. 81, No.100,**

The proposed order announces FDA's tentative determination that enzacamene is not generally recognized as safe and effective GRASE and is misbranded when used in over-the-counter OTC sunscreen products because the currently available data are insufficient to classify it as GRASE and not misbranded, and additional information is needed to allow us to determine otherwise.
