### State and Local Government

These funds can also be used to make necessary investments in water, sewer, and broadband infrastructure. Page Menu State and local government leaders come to us for reliable, objective information, customized assistance and government expertise that provide insights into the issues they face.

### State and Local Government

Municipal Government Municipal level governments include cities, counties, towns, and townships. All State governments are modeled after the Federal Government and consist of three branches: executive, legislative, and judicial. DTTL and each of its member firms are legally separate and independent entities.

### Local Government Services

We help governments develop their strategic plans and identify the implementation steps necessary to achieve their goals. Our training focuses on what you need to know to best complete your duties as a Board Member while helping to fulfill mandated training requirements.

### State Government Services

Together the two chambers make State laws and fulfill other governing responsibilities. RECIPIENT COMPLIANCE AND REPORTING Eligible state, territorial, metropolitan city, county, Tribal governments, and non-entitlement units are required to meet compliance and reporting responsibilities, as defined in the Interim Final Rule. We can work with your community to understand how these individuals come into contact with the criminal justice system, where the opportunities for diversion exist, and how collaborative efforts may reduce future involvement.

### State & Local Government

Legislative Branch Just like with the federal government the states have legislatures that make up the state laws, handle the budget, and levy taxes.
