Notgeld

In 2013, the 's museum digitized its collection of Belgian notgeld, which is available online. A variety of notgeld coins and tokens exist from this period.

Banknotes from Austria (notgeld)

Often, they were sold to collectors in special envelope packets printed with a description of the series. The word not means emergency or necessity and geld means money, so notgeld means emergency money.

Notgeld

As part of the effort to stabilize the currency, the government was aggressive in curtailing the use of notgeld. Most issues date 1916—1917, with the majority of camps situated in Austria proper, Hungary, and Czech territories. Although incomplete in many cases, his work formed the foundations of the hobby.
