What is Equity and Trusts Law?

A trust imposes a personal equitable obligation upon a person trustee to deal with property for the benefit of another person or class of persons beneficiary or for the advancement of certain purposes, private or charitable. Shows court approach — when courts are construing the documents — they want to be satisfied that the interpretation of the meaning of the document that it would be the decision of a reasonable person with the background knowledge matrix of facts. Would a reasonable man say there is intention? He then addresses the way in which Roman law turned this notion into a legal concept of considerable practical importance chapter 3 and how it survived the fall of Rome and was later elaborated in the Middle Ages by civilists and canonists chapter 4.

What is Equity and Trusts Law?

Imperative language is authoritative and commanding, and unambiguously places an obligation on the trustee. Discretion — court look to substance, not form but also court take strict approach as well. Jones died 6 days later, cheque found amongst possessions.

The wording of these dispositions was held to be precatory rather than imperative, and thus took the form of gifts rather than trusts. Court emphasised they will look to words and conduct to decide whether a trust has been created. Did equity and the impairment of contracts clauses of the United States and Washington Constitutions require the superior court to apply the law of mortgages which was in effect on February 17, 2008, the day the note and deed of trust were signed to determine whether the deed security had become split from the note in such a way that the

security was not enforceable? The practitioner will find the book well worth consulting for its clear exposition of the basic principles and of their application in difficult areas.

Equity and Trusts Notes

Subsequently, the author analyses how the notion of equity was dealt with in the Modern Era by legal humanists, Protestant and Catholic theologians, scholars of the usus modernus pandectarum and of Roman-Dutch law, and then by legal rationalism and the philosophers of the Enlightenment chapter 5. When settler creates a trust — free to define obligations of the trustees and entitlement of the beneficiaries as he sees fit, subject only to limitations imposed for reasons of public policy. But — they died, left surplus of £367 on the fund.
