## Wilderness Ethics: Preserving the Spirit of Wildness (Paperback)

Just like a good map is essential equipment for any backcountry adventure, Forest and Crag is an essential read for anyone who enjoys spending time in or is charged with the stewardship of the Northeast's trails and mountains.

## Spirit of Wildness

We are proud advocates and stewards and Wild Northeast celebrates the sacred spot it holds in our hearts. In this environmental call to action, Laura and Guy Waterman look beyond preserving the ecology of the backcountry to focus on what they call its spiritual dimension--its fragile, untamed wildness.
