The Students Survival Guide for Composition

How can we reduce the time, stress, and responsibilities of our jobs, but still provide students with worthwhile college experiences? A short, supportive, practical guide for the first-time college composition instructor, the book is upbeat, wise but friendly, casual but knowledgeable like the voice that may have introduced you to certain other firsts.

However, if instead of playing it on your phone, you install it on BlueStacks, you will be able to enjoy the game not only with vastly-improved controls and performance but also on your large monitor as opposed to your cramped phone screen.
