And even now it contains passages that rank among the most imaginative things ever conceived in the rock era. After the author committed suicide, his mother found a smeared copy of the manuscript, and tried to get publishers interested for the next 11 years.

### Paul McCartney

You just gotta call on me.

### I Am the Walrus

Instead, the band remained as a quartet, working with a succession of guest musicians. It went on to become a beloved novel with multiple sequels.
