town to the ground.

## Spanish colonization

Smuggling was much easier than raising crops and much more profitable. Each chapter contains new information on the history of two of the oldest settlements in Texas and an extraordinary cast of characters and their trials and tribulations.

But that would make sense because her mother was supposedly Caddo Native American yet that never showed up in my DNA although Colombian did and Colombia is right beside Panama. At the Pagburnayan, we witnessed a demonstration of the making of burnay potteries.

## TEXAS BOOKSHELF: Lost Spanish Towns by Jean Epperson

Brutal treatment of the Filipinos 2. After he destroyed their idols, they threatened to stone him to death, and a few months later drove him out. Elizondo then burned the

When Martin Quirante was finally successful in carrying away gold samples in 1625, he brought along 85 Spaniards - double the number Salcedo took to the Ilocos in 1572 - as well as 1750 Chinese, Japanese, and Filipinos.

**Source:Epperson, Jean L. Lost Spanish Towns : Atascosito and Trinidad de Salcedo**

The traditional Igorot arsenal consisted of wooden shields, bamboo lances, and highly effective stakes planted in the grassy trails to strike their enemies in the ankle or foot. In 1780 the government instituted a monopoly on tobacco in the Philippines, and it was so successful that, for the first time in 200 years, the colony showed a profit for the home government.
