After you're set-up, your website can earn you money while you work, play or even sleep! Except for a handful of such books, the bright pages of which still rain influence or which possess artistic merit, this literature should be viewed from its socioeducational-commercial aspect. Frances Hodgson Burnett, *A Little Princess* There will also be some short secondary reading in the form of handouts. The book opens with a discussion of the often controversial theory and history of this influential and entertaining subject, and explores the ways in which it can be approached.
