## Frankenstein at 200

Such a man has a double existence: he may suffer misery, and be overwhelmed by disappointments; yet, when he has retired into himself, he will be like a celestial spirit that has a halo around him, within whose circle no grief or folly ventures. John William Polidori, stayed up late one night, discussing the occult and reading ghost stories. Frankenstein creates a human being, and as a result he and his family are destroyed by it.

### Mary Shelley (film)

In February 1815, Mary gave birth to a daughter, who was born prematurely and who subsequently died in March of the same year.
