A second line was projected from Halifax to the bend of the Petitcodiac, thence as straight to the Grand Falls as would be consistent with the best mechanical selection of the line, and from thence as before described to the St.

**Browse subject: Chemins de fer**

This money was desperately needed by the CPR.

## Biography

In reply to your note, I beg to say that I will take with pleasure a small interest of £500 five hundred pounds in the St. These valleys, in most instances, like the basin of the Saguenay, lead to nothing of importance beyond; and therefore while exceedingly fit for limited colonization, and proper localities for the easy acquisition of land by settlers, they do not offer the inducement to expenditure possessed by more important tracts of country.

## A History of Canadian Wealth

The Council has consisted, since 1840, for considerable periods, of nine, ten, eight and six members; and it will be apparent, that, as regards the conduct of the public business, its numbers are unimportant.
