## House of All Nations by Christina Stead

It is this, perhaps, that gives the book its morbid fascination, for Miss Stead is merely studying people in an advanced stage of the disease which affects all of us more or less in our desire to make money as rapidly and as easily as possible. Jesus had come to overturn the tables of the Covenant. The apartments and single rooms are fully equipped with functional furniture.

## HOAN

## House For All Nations

I really wanted to like this.
