## Fool 100: TMF's Top Stocks

At present, the 1 accolade belongs to Shopify.

## Motley Fool Review, July 2021: Is Stock Advisor Worth It?

If those statistics have convinced you it is worth it, then you should to get their latest pick in real-time which comes our this Thursday, August 12. They are not the holy grail of investing but so far, their track record has proven that they can outperform the market and they have done so pretty handily since the establishment of Stock Advisor since 2002. The performance is shown below.
