### 13 things you need to include in your career portfolio

So, just like the Work Samples section of your career profile, this section should contain links to actual documents or photos of them—not just descriptions of these items. Collaborative leader, able to construct and inspire winning management teams that consistently meet KPI goals.

### Use of professional portfolios in nursing

Are online reputation issues hurting your job prospects? Nurses are increasingly using professional portfolios as a way to maintain evidence of their learning and reflection, and to demonstrate that they have met their professional requirements.

### 13 things you need to include in your career portfolio

Marketable skills and abilities This is where you get to prove your unique value to potential employers by listing all the things you do well. Are online reputation issues hurting your job prospects? Portfolios are also helpful for independent contractors, consultants, or business owners who need to provide work samples to potential clients. For hard-copy portfolios, you can use anything from a simple three-ring binder to a professional, leather-bound padfolio.

### 13 things you need to include in your career portfolio

I launched a couple of home-based businesses including one where I went to small businesses and taught people about technology and how to create an online presence. At Capella, certain degree programs including our online MBA incorporate or require the use of an ePortfolio platform. One great way to provide that proof is a career performance portfolio.

### 13 things you need to include in your career portfolio

It can be a physical book or binder that organizes samples of your work, or an online portfolio with electronic files.
