### European Commission Invites Comments regarding Collective Bargaining for the Self

There is some scepticism about the effectiveness of competition law in achieving economic progress and its interference with the provision of public services. For instance, Valentine Korah, an eminent legal analyst in the field, argued that the Commission was too strict in its application of EC Competition rules and often ignored the dynamics of, which, in her opinion, could actually be beneficial to consumers and to the quality of available goods in some cases. Food companies should develop protocols for anticipating and managing the risk that employees will test positive for COVID-19.

### Antitrust: Overview

Romania has moved up in the rankings of the Global Competition Review since 2017 and won 3 stars, along with seven other EU countries Austria, Finland, Latvia, Lithuania, Poland, Portugal, Sweden. This is an essential guide to learn about the most recent competition law trends. The New Competence to Enforce Commission Commitments Decisions ii Co-operation Mechanisms between the Commission and National Courts iii The Right of National Courts to Seek the Commission's Assistance a.
