## Chancellor of Germany

The same applies in the said two suffragan bishoprics as regards the appointments to the cathedral chapters and the settlement of the rights of patronage. In seinen Memoiren schrieb Max von Baden später, dass er bei der Auflösung nicht von der inneren Überzeugung, sondern von den äußereren Umständen geleitet wurde. Catholic schools and newspapers were closed, and a propaganda campaign against the Catholics was launched.

Pinchas Lapide notes that whilst negotiations for the concordat were taking place, pressure had been put on the Vatican by the arrest of ninety-two priests, the searching of Catholic youth-club premises, and the closing down of nine Catholic publications.

## Chancellor of Germany

We are more concerned with the mass of Catholic voters in Germany than in the Catholic deputies who represent them in the Reichstag. The federal government Bundesregierung consists of the chancellor and.
