As Dante did, Genshin gives a vivid description of the various levels of hell. As she lay dying, I had called but she had not answered as I wanted desperately.

**Living in Amida's Universal Vow : Bloom, Alfred: persongroup.materialsproject.org.au: Books**

The critical question in Shin Buddhism is: have you resolved the direction in which you are moving in terms of your own death? In it are presented various aspects of the teachings concerning Amida-his Original Vow, his many Vows, and a description of his Pure Land. Neither is his a psychological perception.

At this point, we come to the necessity of understanding the nature of Buddhist wisdom. In Shinmon, the true gate, there is no mixed practice, one stands on the Nembutsu alone sifting down to selecting this single choice, as did Shinran.

**Living in Amida's universal vow : essays in Shin Buddhism / edited by Alfred Bloom ; foreword by Tai...**

There, as I am-that is how Amida affirms and grasps me. The second aspect is that of birth in the Pure Land at the moment of death. It is the intention of this anthology to contribute to a greater understanding of Pure Land teaching in particular and Buddhism in general.
