## Surfing to School: The Electronic Reconstruction of Institutional Identities on JSTOR

These lie particularly in basic and intermediate skills, where we lag well behind our competitors. It also offers tailored guidance to students.

### National grid is a virtual reality

If we leave aside the element of lifelong learning which is the traditionally-delivered course or project, then access to library resources is a very hit and miss affair.

## THE INTEGRATED ACCESSIBLE LIBRARY: BUILDING A NATIONAL ACCESSIBLE LIBRARY SERVICE.

The library support of such students is of course a major service in support of lifelong learning.

## Surfing to School: The Electronic Reconstruction of Institutional Identities on JSTOR

Our approach has much in common with such work, in particular with the insistence that attention be given to the context of use, but our focus is slightly different: it is directed towards the text of CtLS itself. About 50% of public library authorities are in formal liaison with TECs, FE colleges, commercial open learning centres and educational guidance networks.
