Peadar Ua Laoghaire

They came from Strabane and were close friends and neighbours of my grandfather an doctuir Seamus O Ceallaigh.

thall agus abhus — Bailiúchán Nathanna an Athar Peadar Ó Laoghaire

November 1917 My dear Fr.

Cork Irish

Why did he die so young? For Tesnière, the verb is the central nexus the knot of knots : le noeud des nœuds. Tadhg and Donnchadh were talking about people who work terribly hard to make money and have no comfort in it. Here an fhaid is definite, and stands directly adjacent to the copula without a pronoun between them.

There is a world of difference between that and a weak learner, with no strong grasp of any Gaeltacht dialect, raising children in Dublin or another city to speak a language not spoken by the people around it. But what sort of answer would the word Mise be to the question, Cé hé thusa? And both the rejoinder and its beauty in this instance are things that no man living could invent! An uile dhuine acu théidhean anonn anois níl sé ach ag leagadh an pháigh dó fén agus do'n mhunitir atá thall roimis, agus ag cur na h-oibre i ndéine. There is an express agent here viz.

Peter O'Leary (författare)

So our old speakers always found, and so they stuck a de in between breátha and lá, and they dropped the an.
