Islam and culture: Don't mix them up

The content and debate of the next chapters will be a composition of theological, philosophical and mostly Islamic juridical fiqh discussions. It is necessary to emphasize that organizing social relationships, in its full scope, involves many facets. In the Middle East-North Africa region, on balance, Muslims are more concerned about Islamic than Christian extremist groups, but more than one-in-five in most countries surveyed in the region are worried about both Islamic and Christian groups.

[PDF] Islam Between Culture and Politics

Whereas the former necessitates a comprehensive evaluation of the Islamic ideology to determine whether or not it encompasses a political dimension and if it has the potential to be practically applied. Any belief or practice, even if common among some Muslim-majority country, which does not go back to the Quran or the Sunnah, is not an Islamic belief or practice.

Islam Between Culture and Politics

Therefore, religion in these cases must delegate everything to human reasoning and science.

Islam between Culture and politics

In a nut shell, it is the inner Islamic pendulum between culture and politics that is fueling resurgent Islamism by rejecting indigenous cultures and customs by referring to them as the Western ideals and values.
