Any item of income or deduction, or any part thereof, taken into account in figuring a net operating loss or a capital loss carryover of the estate for its last tax year can't be used again to figure the excess deduction on termination. Use Form 8582, Passive Activity Loss Limitations, to summarize losses and income from passive activities and to figure the amounts allowed. Income To Include The decedent's income includable on the final return is generally determined as if the person were still alive except that the taxable period is usually shorter because it ends on the date of death.

Without An Honourable Estate (TV Episode 1976)

Brittain really wanted to write an 'important' book, and there is much in here about the politics of the period, the struggle of the suffragists, and the damage caused by the Great War to those who survived.

Honorable Fernando L. Aenlle
