U.S.

He executed physical training with his soldiers on a daily basis to help them maintain eligibility for advancement.

The Purposes, Achievements and Priorities of Arms Control

Nixon and Soviet General Secretary Leonid Brezhnev signed the ABM Treaty and interim SALT agreement on May 26, 1972, in Moscow. He related numerous leadership lessons from his time as a team leader, helped his colleagues rehearse responses to potential leadership challenges, and shared his high level of motivation and sense of purpose as a non-commissioned officer. SPC Jones selflessly dedicated his time to attending training and becoming the unit Equal Opportunity Representative.

Army Certificate of Achievement Citation Examples

Captain Korsey's outstanding achievements and devotion to duty reflect favorably upon himself, the 69th Ordnance Battalion, and the 1st Armored Division.

Strategic Arms Limitation Talks (SALT)

Italy admittedly used poison gas against Ethiopia in the 1935—36 war between those two nations, justifying it as a reprisal against violations of the law of war by Ethiopia. The program will provide financial and technical assistance to states of the former Soviet Union to secure and dismantle nuclear weapons and fissile material stockpiles; remove thousands of warheads from their territories; and employ nuclear scientists in civilian pursuits.

Arms Race

The first agreements, known as SALT I and SALT II, were signed by the US and the USSR in 1972 and 1979, respectively, and were intended to restrain the deployment of strategic long-range or intercontinental missiles armed with nuclear weapons. The area around the Giza pyramids and Sphinx in Egypt is a major concern. When an eight-lane highway was built south of the Sphinx and three great pyramids in 1995, the impending change threatened the architectural site and its ancient structures. PFC Campbell constantly requested to be placed in positions of responsibility.

Milestones: 1969

Judging arms control as a process rather than an outcome provides the best understanding of the issue. In addition to assisting the team in unloading 65 shipping containers and building over 1,800 pallets of COVID 19 PPECPL, CPL Lazo consistently performed his demanding duties in an exemplary and highly professional manner. For exceptionally meritorious achievement for having won the January Bravo company Soldier of the Month board.
