Rhabdomancy

They mutilated the rituals of the Mysteries while professing to preserve them, so that even though the neophyte passed through the degrees he could not secure the knowledge to which he was entitled. His special power is to discover treasures and minerals hidden in the ground, which he will furnish to the magician.

Rhabdomancy

Tantric ritual technologies involving mantras, charms, paintings, and sculptures enabled rulers to conquer enemies and harness power.

Rhabdomancy

It was a strange scene, here I was lying on the floor with a sorcerer next to a zombie - while a magician was taking our photo! The conditions were that I should make a pact with him. The psychodynamics here are equally revealing. True black magic is performed with the aid of a demoniacal spirit, who serves the sorcerer for the length of his earthly life, with the understanding that after death the magician shall become the servant of his own demon.

Picture Museum of Sorcery, Magic and Alchemy

He can teach a magician more in a moment than all the master workmen of the world combined could accomplish in twenty years. They are aligned with evil forces and use them to harm or gain advantage over others. This spirit was faithful for a long time, but to tell you how he served me is not possible in a document of this length and I will here only indicate how spirits are to be invoked and how the circles for protection are to be prepared.

Witchcraft

Magic has thus turned into religion the converse of the more process in which outmoded religions are stigmatized by their successors as magic. The museum is located in an artsy part of Berlin and they are open every day from 10am to 8pm, with special hours on holidays. He will furnish riches and will instantly fetch things from a great distance, according to the will of the magician.

War Magic: The Wizarding World of Tibetan Sorcery

There are thirteen life-size displays based on actual historical documents from the trials. The museum takes about an hour to tour and is open daily except holidays.

Witchcraft and Magic in Iceland

His coming so amazed me that I scarcely knew what to say, but finally asked him if he would serve me in my magical investigations.
