### How the Self

. And for another, self-portraits give me a chance to try a new approach or spend time working something out — either about myself or about the particular situation I find myself in.

### How Self

Northern artists continued to make more individual portraits, often looking very much like their other bourgeois sitters. For some it was meant to symbolize the primacy of authorship, for others it represented a case of self-consciousness and personal scrutiny, perhaps also a way to document their lives. The more you experiment and the more photos you take, the better your photos will be.

### How the Self

You can simply throw them away when you want and not feel bad about it.
