Youth Services

Alongside free text-based chat with a counsellor, those signed up to Kooth can also contribute to message boards on a wide variety of subjects, participate in discussions and read about topics and mental health issues that might interest them or that they could find helpful and supportive.

Sutton

Friends and family can be vital sources of support and can help young people cope with stressful situations and difficult times.

Step 2: Counselling for Children and Young People in Bradford

It is important to have transparency with the parent around confidentiality, and to let them know that you will be transparent with the young person about any contact you have with the parent after the therapy has started. The research: establishing an evidence base Our mixed-methods study 10 was designed in two parts to address gaps in research.

Counselling For Young People

A total of 450 hours are required to become a PTUK Accredited Play Therapist. Remember who your client is! She obtained an MA in counselling and psychotherapy from the University of East London in 2016. Once these points are considered, the therapist can make a decision about whether this young person is suitable for therapy.

Integrated counselling and coaching with young people

You can access Child Focussed Counselling at any of our locations above at a cost of £40 per session.

Counselling For Young People

Yet there was no empirical research on either this approach or indeed any integrated counselling-coaching intervention with young people. All these problems and others, are important.

SMILE Counselling

Mindfulness: Mindfulness is often combined with CBT and helps a young person to focus on difficult thoughts and feelings rather than avoiding them, so that the fear of them gradually lessens.

Sutton

Our school based counselling service is open to all children attending comprehensive schools, pupil referral units, additional needs and EOTAS provision based in Rhondda Cynon Taf. This should only happen if the therapist feels confident in this and needs to be consented to by the child.
