La « Belle Époque »

This is picked out because the standards of living and security for the upper and middle classes increased, leading to it retrospectively being labeled as a golden age by them compared to the humiliations that came before, and the devastation of the end which completely changes Europe's mindset. They produced the first French automobiles, aircraft, and motion pictures.

Algunas características de La Belle Époque

Three bridges were built for the 1900 Exposition: the , dedicated by Czar in 1896, which connected the Left Bank with the grand exposition halls of the and ; the , a foot bridge that linked two sections of the Exposition; and a railroad bridge between Grenelle and Passy. Los relatos de crímenes y escándalos convencieron a muchos de que las nuevas actitudes sociales y la tecnología estaban destruyendo la sociedad tradicional.

La pluma en la Belle Epoque

Solo necesitas un poco de planeación y mucho sentido común.
