Laski, Harold Joseph (1893

Harold Laski was a British political scientist and left-wing Socialist. One can go through all his writings—and he was immensely prolific—without coming upon a solitary original conception.

Review: [Untitled] on JSTOR

. His lectures on the history of political ideas were brilliant, eloquent, and delivered without a note; he often referred to current controversies, even when the subject was Hobbes's theory of sovereignty.

The Setting

His marriage to Frida, a and eight years his senior, antagonised his family. But one suspects that his fate was sealed for him when at a very early age, still a schoolboy, he showed precocious brilliance and then immediately tried to convert it into the small change of personal success and human esteem.

Review: Strange Friendship on JSTOR

Though his father occupied a position of leadership in the Jewish community, young Laski declared his independence of family and community alike at the age of 18 by marrying a Gentile.

But mainly it was because he loved students, and he loved students because they were young. Liberty and equality -- ch.

The Setting

If your book is not available on E-ZBorrow, you can request it through ILLiad ebooks unavailable. In 1994, David Lynn, Kenyon English professor, was named editor and a board of trustees was created to ensure the magazine's financial sustainability. In 1920 Laski accepted a

position at the London School of Economics and taught political science there until his death 30 years later.

Harold Laski

During this period Laski produced a number of major works on the nature, powers, and limitations of the modern sovereign state. His recommendation of later President of India to then Prime Minister of India , resulted in Nehru appointing Narayanan to the. Temperley, The Whispering Gallery of Europe London, 1938 pp.
