We only recruit the best.

**The Opal Deception**

Opal lures Commander Julius Root and Captain of the LEP into a lava chute alone by putting General Scalene under the mesmer there. At the end of the last Artemis Fowl book, , young criminal genius Artemis and Butler had their memories wiped so that they would no longer remember what they knew about the Lower Elements -- fairies, goblins, centaurs, etc. Okay so the second time around and I'm still shocked about how certain things went down.
