Examples: Presentation skills, leadership, interpersonal communication, sales.
 Directing subordinate workers is a key function, but other concerns abound.

Coaching and mentoring: A style of management

Companies hire outside coaches or establish internal coaching programs for tasks such as improving interpersonal or public speaking skills or integrating cultures after a merger. They will see how they can inspire peak performers to even greater levels of productivity and learn effective ways to confront inappropriate behavior.

Coaching, Mentoring and Managing: A Coach Guidebook [Book]

As you can see, being involved in a coaching or mentoring relationship can enhance your professional and personal life in ways that you could not achieve on your own. Developing your character is best served through supporting your development and a focus on your personal well-being.

Manager, Coach or Mentor? Different Roles for Different Goals

I checked out five books that day and read them all - but this is the only one I renewed. Since Jeremy is new to the sales department and a natural with customers, his boss sees his career potential immediately. Small businesses with few employees and solo entrepreneurs can access through SCORE, a nonprofit association of volunteer, retired business executives.
