Zettel translation in English

Often the context in which we are working suggests a multiplicity of links to other notes. I have been studying Wittgenstein for 35 years. Why do you see those connections? This book is generally about the philosophy of mind and some metaphysics and talks about a plethora of aspects, ranging from the limits of what we can make sense of up to how we get to make sense of things in general.

Anthony Zettel

The name Zettel is an hereditary surname, a type of surname that was taken from a word describing or common to the profession of the original bearer. The core aim of zettel is to store notes for life. There is nothing wrong with capturing a verbatim quote on top.
