Crisis of faith; the religious psychology of adolescence. (Book, 1963) [perssongroup.materialsproject.org]

Print Img No-img Menu I do not know of many Christians who have not at some time had a crisis point in their walk with God. An example would be switching. We must look at the stages with caution and flexibility, however, because God has this rather peculiar way of interfering with my categories and people do not always fall quite as neatly into my psycho-spiritual pigeon-holes as I might like them to do.

Happiness and Religion, Happiness as Religion

Patients also reported that religion lessened psychotic symptoms and the risk of suicide attempts, substance use, nonadherence to treatment, and social isolation. It is anticipated that there will be a heightened sense of external control, being from God, for individuals who have a strong faith and belief in God.

Religion, Spirituality, and Mental Health

Transition Crafting activities, even liturgies, that place kids in limbo between their old faith status and their new one.

A Crisis of Faith by Tony Sunderland

We will use the data given in the article to indentify the percentages of religious youth. Locus of Control, optimism, and self-esteem are good indicators of well being.
