**Final Notice Bowling Family**

Making life easier for both our bowlers and our administrators was the driving force behind upgrading our website. Expect our hearing date to be 2-3 weeks after the date of the letter. The first two or three collection letters hold comparatively mild and friendly tone.

IRS financial statements will need to be prepared for the hearing, known as Form 433A for personal taxes and Form 433B for business taxes. The date of the letter should also be included. It also provides us time to prepare finances and records for the hearing to resolve your taxes and avoid the levy.
