**Hinano Kurahashi**

She dies giving birth to him. It was created and run by Masamori Sumimura, and includes many young ability users still in training.

**Hinako Inui**

She then made a promise with Kojirō that he will become prominent in France.

**keizaigaku**

After the class ended, Takumi asked her to finally determine which dish was superior.

**Kekkaishi e no Tensei (Title)**

As the judges ate his dish, it was well received, noting the exquisite use of bacon and the amount of labor spend to cultivate the flavor of the dish.

**List of Kekkaishi characters**

Later, she confronts Ichirou Ogi and reveals that she knows he conspired with Kokuboro to seize control of Karasumori. Despite this though, behind her serene personality, she can be just as ruthless as her fellow Tōtsuki Alumni, showing that she has high standards for the students and is not afraid to deem a dish unworthy.

**Kekkaishi e no Tensei (Title)**

He was killed by samurai and became a along with Madarao, but became twisted by his hatred of humans. He was frequently bullied by other children when he was young. He was formerly an assistant to Heisuke, but presumably left that behind in order to marry Sumiko.
