The Rebel (Penguin Modern Classics)

Other people are his mirror. The rebel calls for moderation, not extremism.

Rebel, The: An Essay on Man in Revolt: Albert Camus, Herbert Read: perssongroup.materialsproject.org: Books

And yet true rebellion, Camus argues, is an act motivated by concerned with the common good rather than by self-interest: The affirmation implicit in every act of rebellion is extended to something that transcends the individual in so far as it withdraws him from his supposed solitude and provides him with a reason to act. Now is born that strange joy which helps one live and die… With this joy, through long struggle, we shall remake the soul of our time, and a Europe which will exclude nothing.

Rebel, The: An Essay on Man in Revolt: Albert Camus, Herbert Read: perssongroup.materialsproject.org: Books

I read some of his earlier works like The Stranger, The Myth of Sisyphus and The Plague a few years ago.

The Rebel: An Essay on Man in Revolt by Albert Camus, Paperback

Translated from the French by Anthony Bower. And yet, with an eye toward the French Revolution and its regicides and deicides, he shows how inevitably the course of revolution leads to tyranny. Albert Camus is known mostly for his novels which investigate human existence — that is, existentialism as a philosophy.
