It was also intended to provide accurate texts from which the New later Oxford English Dictionary could quote; the ongoing work on the revision of that Dictionary is still heavily dependent on the Society's editions, as are the Middle English Dictionary and the Toronto Dictionary of Old English. The new learning, widely through the Erasmian after the humanist educational programs of such men as and , proposed to use a systematic schooling in Latin authors and some Greek to encourage in the social elites a flexibility of mind and civilized serviceableness that would allow princely government to walk hand in hand with responsible scholarship. Then the brought a new king, , who let the theatres re-open.
