'Unprecedented achievement': who received the first billion COVID vaccinations?

The two managed to do the entire service of the liturgy until others could be trained.

Bede's Day!

Beyond the purely decorative, and as is to be expected in a work which consists mainly of complex scientific treatises, the text is illustrated with several explanatory diagrams.

Bede's Day!

. The climax of the third book is the account of the , traditionally seen as a major turning point in English history.

Bede's Day!

He also knew Orosius's Adversus Paganus, and ' Historia Francorum, both Christian histories, as well as the work of , a pagan historian. This total does not include manuscripts with only a part of the work, of which another 100 or so survive.

'Unprecedented achievement': who received the first billion COVID vaccinations?

Reproduction Grubenhaus, based on finds at New Berwick, North Northumberland. The World of Bede Reprint of 1970 ed.
